The State of Alabama has implemented a long term approach to floodplain management to reduce the impacts of flooding. This is demonstrated by the State's commitment to mapping floodplain areas at the local level. As part of this effort, The Alabama Office of Water Resources is working closely with FEMA as a Cooperating Technical Partner to produce and maintain this digital FIRM. **Hydrographic Feature** ----- 513 ---- Base Flood Elevation Line (BFE) **Limit of Study** OTHER Please visit www.adeca.alabama.gov/floods for more information. **FEATURES Jurisdiction Boundary** \* PANEL NOT PRINTED
