

Note: Terrain is too steep to map all cross sections. Refer to profile for Water Surface Elevations

ATTENTION: The levee, dike, or other structure inside this boundary has not been shown to comply with Section 65.10 of the NFP Regulations. As such, this FIRM panel will be revised at a later date to update the flood hazard information associated with this structure. The flood hazard data shown inside this boundary (which have been re-published from the September 25, 2009 FIRM for York County), should continue to be used until this FIRM panel is revised to update the flood hazard information in this area.
