For information and questions about this Flood Insurance Rate Map (FIRM), available products associated with this FIRM, including historic versions, the current map date for each FIRM panel, how to order products, or the National Flood Insurance Program (NFIP) in general, please call the FEMA Map Information eXchange at 1-877-FEMA-MAP (1-877-336-2627) or visit the FEMA Flood Map Service Center website at https://msc.fema.gov. Available products may include previously issued Letters of Map Change, a Flood Insurance Study Report, and/or digital versions of this map.

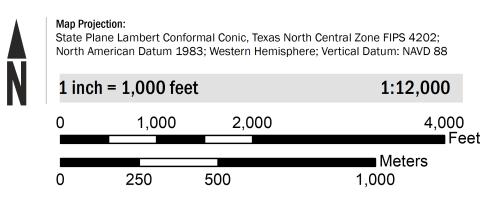

Communities annexing land on adjacent FIRM panels must obtain a current copy of the adjacent panel as well as the current FIRM Index. These may be ordered directly from the Flood Map Service Center at the number listed

Many of these products can be ordered or obtained directly from the website.

For community and countywide map dates refer to the Flood Insurance Study Report for this jurisdiction. To determine if flood insurance is available in this community, contact your Insurance agent or call the National Flood Insurance Program at 1-800-638-6620.

Base map information shown on this FIRM was derived from multiple sources. The Texas Natural Resources Information System (TNRIS) provided the Texas Department of Transportation (TxDOT) county boundaries and transportation layers dated 2015. The North Central Texas Council of Governments (NCTCOG) provided transportation layers and community boundaries dated 2019. Base map data for community boundaries was also provided by local communities dated 2019.

Non-Accredited Levee Note: This levee does not meet the minimum requirements of Section 65.10 of the NFIP Regulations, and therefore flood hazard boundaries were determined by the methods which were coordinated and reviewed with impact communities and other stakeholders.
