Base map information shown on this FIRM was derived from multiple sources. The Texas Natural Resources Information System (TNRIS) provided the Texas Department of Transportation (TxDOT) county boundaries and transportation layers dated 2015. The North Central Texas Council of Governments (NCTCOG) provided transportation layers and community boundaries dated 2019. Base map data for community boundaries was also provided by local communities dated 2019.

Non-Accredited Levee Note: This levee does not meet the minimum requirements of Section 65.10 of the NFIP Regulations, and therefore flood hazard boundaries were determined by the methods which were coordinated and reviewed with impact communities and other stakeholders.
